

# Save Manston Airport association

**The fight goes on to return Manston Airport to active aviation use.**

**The Save Manston Airport association ask you to join us at the following Internet sites :**

- a Facebook closed group at [http://bit.ly/SMAa\\_group](http://bit.ly/SMAa_group) or <https://www.facebook.com/groups/savemanstonairportassociation>
- a Facebook community page at [http://bit.ly/SMAa\\_page](http://bit.ly/SMAa_page) or <https://www.facebook.com/Save-Manston-Airport-association-209191179483939/>
- a Twitter feed at <https://twitter.com/ManstonSave>
- a YouTube channel at <https://www.youtube.com/channel/UCJeZS3LGkiXEkYK8shMB2Zg>
- a WordPress site at <http://www.savemanstonairport.org.uk/wordpress/>

The Save Manston Airport association is campaigning hard for the return of Manston Airport to commercial aviation use. RiverOak wish to have up to 14 cargo planes per day, during normal day-shift working hours, with passenger flight to follow later, as part of the Development Consent Order (DCO) with national planners.

Please sign up on the above Facebook group, and also go to the Membership tab on the Wordpress site and sign up, so we have your details for SMAa reach-out and emails. The association is continuing with its reach-out across Kent, for the next stages of Consultation for the Development Consent Order.

Thank you.

Dr. Beau Webber, Chairman, Save Manston Airport association.
