

## **Why is your Councillor denied the facts about Manston Airport ?**

Thousands of people in Thanet and East Kent have flocked to see the RiverOak presentations of their plans for aviation at Manston Airport. Dover District Council & Kent County Council have both scheduled meetings of their full Councils for all Councillors to participate in the statutory consultation process.

Why will Thanet District Council not allow the full TDC Council to see a RiverOak presentation at TDC on their plans for Manston Airport ? TDC are insisting that RiverOak give a presentation to a closed Cabinet meeting. If you think it should be an open meeting to the full council then please write to TDC Leader Chris Wells, TDC, PO Box 9, Cecil St., Margate, CT9 1XZ; and also write to your TDC Ward Councillors <http://bit.ly/MyTDCclr> and ask that they demand the right to hear a RiverOak presentation to TDC, so they can fully represent your views.
